

Army Reserve Ambassadors In the Sixth Region

[The Army Reserve Ambassador Program](#) was established in April 1998 so that private citizens can help to promote awareness of the Army Reserve and the identified goals and objectives of the Chief, Army Reserve (CAR). Their function is similar to that of Civilian Aides to the Secretary of the Army (CASA), and they carry a protocol status equivalent of a major general. This is a key means by which Ambassadors are able to effectively execute their responsibilities.
